## Operation Manual TRIPLE SPIN

Family Fun Companies, INC.
Parts, Service and Distribution

## Operation Manual

Before using the product, be sure to read the following:

## To maintain the safety:

To ensure safe usage of this product, be sure to read the entire manual. The following instructions are intended for users, operators and the personnel in charge of the operation of the product.

Explanations which require special attention are listed below.

## d WARNING

Disregarding this text could result in serious injury.

Caution
Disregarding this text could result in damage to the machine.

## $\Delta$ <br> Notice

An advisory text to hint or help understanding.

## Operation Manual

## 1. The company

Thank you for purchasing the Family Fun Companies, Triple Spin. Our company was found in 1993 to develop unique and high quality games for the entertainment industry. Quality, Service and Customers are our primary focus. INTRODUCTION OF THE MANUAL

This owner's Manual is intended to provide detailed descriptions together with all the necessary information covering the general operation of electronic assemblies, servicing control, spare parts, etc. as regards the product.

This manual is intended for the owner, personnel and managers in charge of operation of the product. Operate the product after carefully reading and sufficiently understanding the instructions. If the product fails to function satisfactorily, non-technical personnel should no circumstances touch the internal system.

## DEFINITION OF LOCATION'S MAINTENANCE MAN AND SERVICEMAN

## © WARNING

Non-technical personnel who do not have technical knowledge and expertise should refrain from performing such work that this manual requires the location's maintenance man or a serviceman to carry out, or work which is not explained in this manual. Failing to comply with this instruction can cause a severe accident such as electric shock.

Ensure that parts replacement, servicing \& inspections, and troubleshooting are performed by the locations maintenance man or the serviceman. It is instructed herein that particularly hazardous work should be performed by the serviceman who has technical expertise and knowledge.

## Operation Manual

## 2. Specifications

## d Specifications

1 Rated power supply: AC110V 50/60Hz
2 Power Consumption: Min power consumption 180W Max power consumption 580W
3 Dimensions: 660X920X2323(mm)
4 Weight:
About 125 Kg
5 Environment Condition: Temperature(indoor):-10 $\sim+40$
Humidity: $\leq 90 \%$
Atmospheric pressure:86Pa~106Pa

## Note: Game parameters are subject change without notice.

3. Package contents
3.1 Body Assembly: 1 unit

- Make sure that all the parts shown below are included in product package.
- If any parts are missing, contact your distributor.
